This notice explains why we will collect and use your data. It should be read in conjunction with the main University of York Privacy Notice for information about how the University uses your data in other circumstances, please read the Student Privacy Notice.

The University of York is the Data Controller for data collected or used by Open Door. The University is registered with the Information Commissioner's Office. Our registration number is Z4855807( ceis

Support to Study - if there are concerns about a student's fitness to study, attend and fulfil academic progress requirements

Campus Safety - if staff need to be informed of a medical condition that might require an emergency response

Students of Concern meeting - if there are concerns about a student

In certain cases, we may need to share information with the following organisations. We would discuss this with you and obtain your permission at that time:

Health professionals you are in contact (e.g. GP, Consultant or other medical professional)

Other services such as adult services and social care agencies

**When we may disclose your information without your permission**

In certain exceptional circumstances (such as where there is an immediate and serious threat to your personal safety or to the safety of others), we may disclose your information without your permission.

**How we protect your information**

The University takes information security seriously and has implemented appropriate technical and organisational measures to protect personal data and special category data. We don't ask you for data we don't need and only give access to people who need to know. We think about security when planning projects to ensure appropriate protections are in place. Our IT security team checks regularly to make sure we're taking the right steps. For more details see [our security web pages](#).

**When we transfer your information outside the UK**

In certain circumstances, it is necessary to transfer your Personal Data (including Special Category Data) outside the UK. In respect of such transfers, the University will comply with our obligations under UK GDPR and ensure an adequate level of protection for all transferred data.

**How long we store your information**

At the University of York, personal information including sensitive personal data is stored securely by Open Door for 7 years before it is disposed of confidentially.

**What rights you have under the GDPR**

Under the GDPR, you have various rights i.e., a [right of access to your data](#), a right to rectification, erasure (in certain circumstances), restriction, objection or portability (in certain circumstances). You also have the right to withdraw your permission either to the sharing of your data or to the holding of your data at any stage by contacting Open Door.

**How to contact us**

If you have any questions or concerns about this privacy notice or concerns about how your data is being processed, please contact the Operations Manager in the first instance at [opendoor@york.ac.uk](mailto:opendoor@york.ac.uk). If you have further questions, please contact the University's Data Protection Officer:
